Final Optional Exam

Saturday 09 September 2023

The final exam is an optional and only required if you wish to gain a distinction on your CQF certification. A grade of 80% or above must be achieved. This is a closed book, 3hr exam, held under exam conditions.

You will be invited to register for the exam later in the year. The registration form will include a list of cities for you to pick a preferred location in which to sit the exam. We do try to find exam centre locations to suit everyone.

Please note: You are given one opportunity to take the final exam. If you sit the exam and do not achieve the distinction grade, you cannot take the final exam again.
